

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Approve Specifications and Authorize Advertisement for Bids for Truck Hauling Services for Asphalt Concrete, Asphalt Concrete Grindings, and Spoils

MEETING DATE: June 6, 2001

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve specifications and authorize advertisement for bids for truck hauling services for asphalt concrete, asphalt concrete grindings, and spoils.

BACKGROUND INFORMATION: In the past, due to the combination of the asphalt and its trucking, staff has had limited success in obtaining a consistent asphalt product and enforcing compliance. With the separation of the asphalt bids from the trucking bids, staff will be better able to control the product we obtain and realize a better price. The specifications for trucking have been successfully used in other municipalities.

The specifications are on file in the Public Works Department.

FUNDING: The money for this project will be funded from Street Maintenance Funds.

Project Estimate: \$32,000
Budgeted: 1999/2001 budget
Planned Bid Opening Date: June 20, 2001

for Richard C. Prima, Jr.
Public Works Director
